

LENNOX

No matter what the weather is like outside, the EL180E's PowerSaver™ motor ensures that, inside, you'll enjoy

EFFICIENT WARMTH

ELITE®
SERIES

EL180E

EFFICIENT GAS FURNACE
WITH POWER SAVER™
TECHNOLOGY

Quiet, efficient and dependable performance

POWERFUL PERFORMANCE

The EL180E's Power Saver™ motor operates at constant torque to maintain a consistent flow of air. This helps keep temperatures inside your home comfortable, even as the weather outside changes. It also helps eliminate loud startup sounds.

PERFORMANCE INNOVATIONS

DURALOK PLUS™ HEAT EXCHANGER

Made of patented ArmorTuf™ steel to ensure high reliability and efficiency.

HIGH-PERFORMANCE BLOWER ASSEMBLY

Exceeds industry-standard airflow requirements for even temperatures and improved comfort.

INSULATED BLOWER COMPARTMENT

Reduces sound and minimizes energy loss, while maximizing efficiency and comfort.

SURELIGHT® INTEGRATED FURNACE CONTROL

Ensures reliable and efficient operation.

COMFORTABLE EFFICIENCY

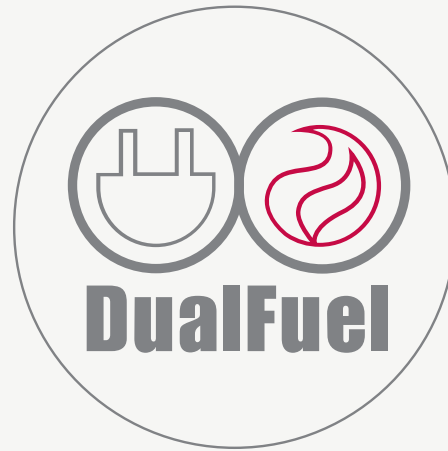

Through its quiet and continual rotation, the Power Saver motor delivers significant energy savings, compared to standard single-speed motors. With a heating efficiency rating of 80% AFUE*, the EL280 provides energy-efficient warmth all winter long.

33%

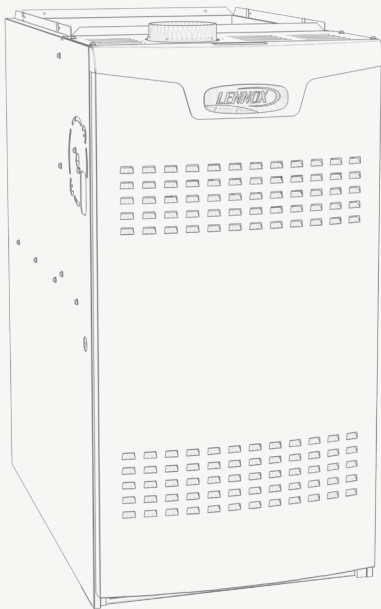

GREATER EFFICIENCY THAN STANDARD MOTORS

CONTINUOUS SAVINGS

When the EL180E is paired with a Lennox® heat pump, it creates a system that can automatically alternate between electricity and gas fuel to keep you warm. So you're always using the most energy-efficient way to keep comfortable.

HIGHLY RELIABLE

Like every Lennox® furnace, the EL180E has undergone rigorous testing in our research lab to ensure the highest level of reliability. So you can relax and enjoy the warmth.

20 YEAR

PEACE-OF-MIND PROTECTION

The EL180E comes with a 20-year limited warranty on the heat exchanger and a 5-year limited warranty on all remaining covered components.**

*AFUE, or Annual Fuel Utilization Efficiency, is a measure of how much usable heat is generated when natural gas is burned in the furnace. The higher the AFUE, the more heat you'll get from your natural gas, and the less gas you'll have to use to stay warm.

**Covered components may be eligible to receive a 10-year warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.

Note: Due to Lennox' ongoing commitment to quality, specifications and ratings are subject to change without notice.

Innovation never felt so good.®

EFFICIENT INNOVATION

Engineered with efficiency in mind

BUILD AN ELITE® SYSTEM

On its own, the EL180E provides perfectly comfortable and efficient heating for your home. Use it in conjunction with other Elite Series components, and you've got a home comfort system that's a cut above the rest. Impressive features. Stunning capabilities. Outstanding efficiency. That's Elite.

FINANCING YOUR COMFORT

Enjoy more comfort and purchasing power. Take advantage of flexible financing options that allow you to enjoy the innovation, precision and efficiency of Lennox on your terms.*

*Subject to credit approval. Minimum monthly payments required. See your Lennox Dealer for details.
